

## Research Activities

Timeline	Activities
Year 1: Semester 1	Attending new graduate student orientation and any required trainings (ELO1, ELO2) <ul style="list-style-type: none"> <li>● Data base searching</li> <li>● Referencing system (EndNote)</li> <li>● SPSS</li> <li>● Introduction to EBP workshop</li> </ul>
	Taking additional courses (if necessary) as suggested by academic advisor and Program Committee on the following courses (ELO1, ELO2)
	Attending required professional and personal skills development (soft skills) courses held by the FGS (ELO1, ELO2, ELO3)
	Consulting with thesis advisors regarding plan of study, including courses and activities to achieve ELOs
	Attending, participating, and/or presenting in academic/ research activities* (ELO1, ELO2, ELO3)
	Regularly meeting with thesis advisors <ul style="list-style-type: none"> <li>● Discussing and reviewing relevant literature in the area of interest to identify gap of knowledge and thesis topic (ELO1, ELO2)</li> </ul>
	Reporting thesis progression and research plan of the next semester (GR.42)
Year 1: Semester 2	Taking necessary or interest courses/topic session as suggested by academic advisor and Program Committee (ELO1, ELO2)
	Completing required professional and personal skills development (soft skills) courses held by the FGS (ELO1, ELO2, ELO3)
	Attending, participating, and/or presenting in academic/ research activities* (ELO1, ELO2, ELO3)
	Proposing thesis topic to the Program (submit MNS 1) (ELO2)
	Conducting research review and developing proposal related to the thesis (ELO1, ELO2, ELO3)
	Publicly defending thesis proposal (ELO1, ELO2, ELO3) (Assess ELO1)
	Submitting IRB proposal (ELO2)
	Reporting thesis progression and research plan of the next semester (GR.42)

Timeline	Activities
Year 2: Semester 1	Collecting data (ELO2)
	Analyzing data (ELO2)
	Writing thesis research (ELO2, ELO3)
	Attending, participating, and/or presenting in academic/ research activities (ELO2, ELO3)
	Reporting thesis progression and research plan of the next semester (GR.42)
Year 2: Semester 2	Completing thesis research writing
	Publicly defending thesis (ELO2, ELO3) (Assess ELO2)
	Orally presenting academic work or research output in an academic conference/forum (ELO3)
	Writing manuscript for journal publication (ELO3) (Assess ELO3)
