Subject: Scholarship for International Academic Presentations

The Doctor of Philosophy Program in Nursing aims to provide scholarships for our doctoral students in presenting their own academic research in an international presentation. The application procedure and selection criteria are as follows:

1. An applicant must have been invited to orally present his/her research in an international academic conference/seminar while he/she is studying or if already graduated, the date of the presentation must be no more than one year after the date of graduation.
2. An applicant who is a doctoral student needs to pass the Qualifying Examination.
3. An applicant must show an evidence that he/she has been declined from the Faculty of Graduate Studies, Mahidol University for the scholarship for international academic presentation.
4. An applicant must not have previously received this scholarship from the Doctor of Philosophy Program in Nursing, Mahidol University to present his/her research.
5. The name of the applicant has to be listed as the first author in the presentation abstract. The name "Mahidol University" must be written after the names of the presenters. Moreover, the applicant's presentation must prominently display the Mahidol University emblem.
6. If an applicant has received any scholarship or scholarships from other financial sources for this presentation, he/she must specify all scholarship titles in the application form for the committee's consideration.
7. If the Doctor of Philosophy Program in Nursing later finds that an applicant cannot fulfill all stated qualifications, the scholarship can be terminated and the Program has the right to demand reimbursement from the applicant.
8. An applicant are required to submit the application at least 4 weeks before the date of presentation. If an applicant has been given very short notice of his/her acceptance for presentation in the conference and cannot submit the application before the given period, he/she must specify the reasons. Nonetheless, the decision depends on the consideration of the Chair of the Program.
9. The student cannot apply for the grant to receive a refund for a conference/seminar that he/she has already attended.

10. The maximum financial values of the scholarship are the same as determined by the Faculty of Graduate Studies, Mahidol University, in an announcement of "Scholarship to promote Master and Doctoral Students' Competency for International Academic presentations."
11. If there are many applicants and the number of scholarships is limited, the values of the scholarships might be lower than the stated amount in 10.
12. The student must submit his/her presentation report and other documents (for instance, receipt, boarding pass) to the Program within 15 days after the seminar/conference participation otherwise the grant will be cancelled.
13. The Administrative Program Committee is served as the scholarship committee.
