Announcement

Doctor of Philosophy Program in Nursing Science (International Program)

Faculty of Nursing and

Ramathibodi School of Nursing, Faculty of Medicine Ramathibodi Hospital

Subject: Ph.D. Qualifying Examination Schedule and Instruction for Students Cohort 2021

The written and oral qualifying examinations are required for all doctoral students to demonstrate their depth and breadth of knowledge and their ability to clearly articulate this knowledge regarding areas of nursing science and research methodology. The students cohort 2021 should follow the following instruction to complete the examination.

Written examination

August 9-11, 2022, each student must fill out the form of GR35 via online system;

September 5, 2022, each student will receive exam questions and name list of the appointed qualifying examination committee and their e-mail addresses;

September 9, 2022, each student submits the exam by 4 pm to the appointed qualifying examination committee via e-mail; and a report of originality checking using the Turnitin program $\leq 20\%$ (excluding bibliography) must be attached.

Oral examination

A two-hour oral examination will be held during September 26-30, 2022. Date and time for the oral examination will be scheduled by the appointed qualifying examination committee for each student.

Announcement of examination result

October 7, 2022

If a student fails the qualifying examination, he/she will have one more time to re-take the exam. One month of additional preparation is allowed before the second examination. Each student should follow the following instruction to complete the re-examination.

Written re-examination

October 11-13, 2022, each student must fill out the form of GR35 via online system

November 7, 2022, each student will receive exam questions and name list of the appointed qualifying examination committee and their e-mail addresses;

November 11, 2022, each student submits the exam by 4 pm to the appointed qualifying examination committee via e-mail; and a report of originality checking using the Turnitin program <20% (excluding bibliography) must be attached.

Oral re-examination

A two-hour oral examination will be held during November 28-30, 2022. Date and time for the oral examination will be scheduled by the appointed qualifying examination committee for each student.

Announcement of re-examination result

December 6, 2022

All students should be aware of Mahidol University Regulations on Graduate Studies B.E. 2563 saying that if the student fails the second examination, the Program Chair must bring this issue to the Administrative Program Committee for final resolution on the either one of the following:

- 1) Propose the expiry of the student status to Dean of Faculty of Graduate Studies, or
- 2) Propose the change of program level from Doctoral Degree Program to Master's Degree Program in Nursing or related field to Dean of Faculty of Graduate Studies.

Date of Announcement: July 12, 2022
