

Announcement of the Doctor of Philosophy Program in Nursing Science (International Program)

A collaborative program between Faculty of Medicine Ramathibodi Hospital

and Faculty of Nursing, Mahidol University

Subject: Dissertation Support Scholarship for Doctoral Students B.E. 2566

The Doctor of Philosophy Program in Nursing Science (International Program) encourages doctoral students to conduct their dissertations to meet the needs of their own nation and society resulting in promoting people's health and well-being. To produce high quality research, it involves relatively high cost. Therefore, the program has allocated scholarships to support dissertation for doctoral students in the program so that they can effectively complete their research as planned and successfully disseminate the findings to target audiences.

To support research expenses on doctoral students' dissertation in the Doctor of Philosophy Program in Nursing Science (International Program) for excellence and being in accordance with the program study plan, the Program announces dissertation support scholarship for doctoral students as follows.
